

Taoglas End of Life (EOL) Notification

EOL Title: EOL Notification for GW.05.0E23 Series

Notice Date: March 20th, 2023

Dear Customer, effective immediately, Taoglas is announcing the Manufacture Discontinue (MD) and End of Life (EOL) of the products listed in Table 1 below.

Suggested replacement products are provided in the same table in order to fulfil your requirements beyond the products discontinuation. We invite you to evaluate the alternative Taoglas products to ensure continued performance.

If necessary, Taoglas may offer customers the option to test new product samples by undertaking S11, Passive, Active or Axial Ratio testing of their devices at one of our global design and test facilities. Customers with any concerns must provide two identical devices, one with the old antenna part number and one with the new antenna part number.

Table 2 lists the product end-of-life milestones, Last Time to Buy and Last Date to Ship.

Reason:

The discontinuation is because we have designed an improved product that is a pin for pin replacement.

Table 1: Affected Products

Product Range	Part Number	Alternative Products
External Antennas	GW.05.0E23	GW.05.AE23

Table 2: EOL Milestones

Milestone	Definition	Date
Last Time Buy (LTB)* Date	The last date to order the product through Taoglas or our distributors. The product is no longer for sale after this date.	May 27 th 2023
Last Ship Date	The last possible ship date that can be requested of Taoglas and/or our distributors. Actual ship date is dependent on lead time.	August 31st 2023

Please do not hesitate to contact one of our Sales Offices, listed below, to assist you with finding the best alternative for your application, if you have any questions or need further assistance.
