Description of Change

The colour of the material of the Antenna PCB has been changed from Green to Black. There is no other change – electrical performance has not been affected

Schedule

The Estimated Transition Date is the forecast date at which customers should be prepared to receive the changed product with the New Type Number. The exact date depends on Taoglas stock depletion and may be affected by fluctuations in supply and demand. Taoglas will continue to ship the Old Type Number until inventory has been depleted. This may result in product with the Old Type Number being shipped to customers beyond the forecast Estimated Transition Date. attached is the draft spec
