Model# (Old)	Model# (New)	Part Number(Old)	Part Number (New)
TG.35	TG.35	TG.35.8113	TG.35.8113

Type of Change

- Hardware Modification
 Production Process Advance
 Others – Part Number Amendment/Packaging
-

Description of Change

The 90° hinge structure has been improved and strengthened so that the antenna can be used in a mechanical shock environment.

Schedule

The Estimated Transition Date is the forecast date at which customers should be prepared to receive the changed product with the New Type Number. The exact date depends on Taoglas stock depletion and may be affected by fluctuations in supply and demand. Taoglas will continue to ship the Old Type Number until inventory has been depleted. This may result in product with the Old Type Number being shipped to customers beyond the forecast Estimated Transition Date.

Forecast Estimated Transition Date

Jan/2016
